

Glast, Phillips & Murray, P.C. Attorneys Named to 2018 Texas Rising Stars

Misty Escobedo, Jonathan Howell and Nathan Pearman have been named 2018 Texas Rising Stars. The Texas Rising Stars designation recognizes the top young lawyers in the state, and is selected annually by legal industry publishing leader, Thomson Reuters.

Each year no more than 2.5 percent of lawyers in the state are selected as Rising Stars, who must be 40 years old or younger or have been in practice for 10 or fewer years. Super Lawyers, a Thomson Reuters business, is a rating service of outstanding lawyers from more than 70 practice areas who have attained a high degree of peer recognition and professional achievement. The annual selections are made using a patented multiphase process that includes a statewide survey of lawyers, an independent research evaluation of candidates and peer reviews by practice area. The result is a credible, comprehensive and diverse listing of exceptional attorneys.

The Super Lawyers and Rising Stars lists are published in Super Lawyers Magazine and in special sections in leading city and regional magazines across the country, as well as distributed to attorneys and ABA-accredited law school libraries.
